

**UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF NEW YORK**

MICHAEL KIRKPATRICK, individually and on  
behalf of all others similarly situated,

**CLASS ACTION**

**Case No. 1:21-CV-1369 (BKS/CFH)**

*Plaintiff,*

**JURY TRIAL DEMANDED**

vs.

GENESCO INC. d/b/a JOURNEYS,

*Defendant.*

\_\_\_\_\_ /

**CLASS ACTION COMPLAINT**

1. Plaintiff, Michael Kirkpatrick (“Plaintiff”), brings this action against Defendant, Genesco Inc. d/b/a Journeys (“Defendant”), to secure redress for violations of the Telephone Consumer Protection Act (“TCPA”), 47 U.S.C. § 227.

**NATURE OF THE ACTION**

2. This is a putative class action pursuant to the Telephone Consumer Protection Act, 47 U.S.C. § 227 et seq., (the “TCPA”).

3. Defendant is a specialty retailer that sells footwear and accessories in retail stores across the nation and online. To promote its services, Defendant engages in unsolicited marketing, harming thousands of consumers in the process.

4. Through this action, Plaintiff seeks injunctive relief to halt Defendant’s illegal conduct, which has resulted in the invasion of privacy, harassment, aggravation, and disruption of the daily life of thousands of individuals. Plaintiff also seeks statutory damages on behalf of himself and members of the class, and any other available legal or equitable remedies.

**JURISDICTION AND VENUE**

5. Jurisdiction is proper under 28 U.S.C. § 1331 as Plaintiff alleges violations of a federal statute. Jurisdiction is also proper under 28 U.S.C. § 1332(d)(2) because Plaintiff alleges a national class, which will result in at least one class member belonging to a different state than that of Defendant. Plaintiff seeks up to \$1,500.00 (one-thousand-five-hundred dollars) in damages for each call in violation of the TCPA, which, when aggregated among a proposed class numbering in the tens of thousands, or more, exceeds the \$5,000,000.00 (five-million dollars) threshold for federal court jurisdiction under the Class Action Fairness Act (“CAFA”). Therefore, both the elements of diversity jurisdiction and CAFA jurisdiction are present.

6. Venue is proper in the United States District Court for the Northern District of New York pursuant to 28 U.S.C. § 1391(b) and (c) because Defendant is deemed to reside in any judicial district in which it is subject to the court’s personal jurisdiction, and because Defendant provides and markets its services within this district thereby establishing sufficient contacts to subject it to personal jurisdiction. Further, Defendant’s tortious conduct against Plaintiff occurred within the State of New York and, on information and belief, Defendant has sent the same text messages complained of by Plaintiff to other individuals within this judicial district, such that some of Defendant’s acts in making such calls have occurred within this district, subjecting Defendant to jurisdiction in the State of new York.

### **PARTIES**

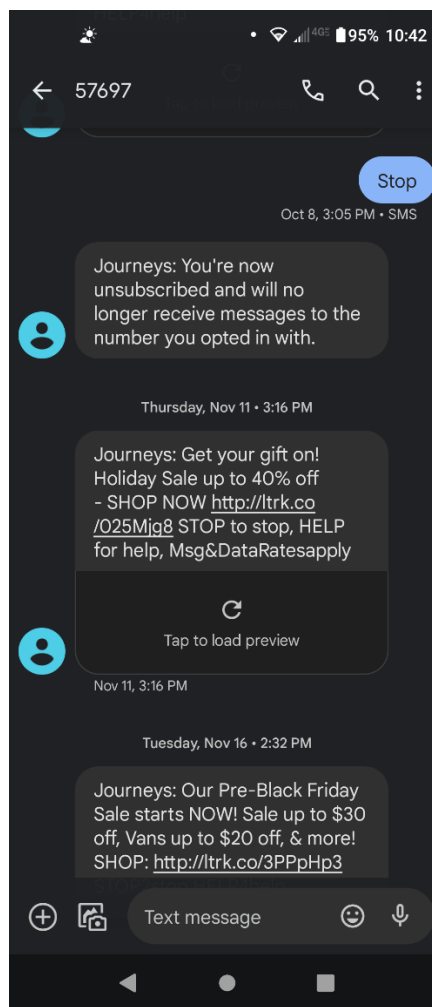

7. Plaintiff is a natural person who, at all times relevant to this action, was a resident of Ulster County, New York.

8. Defendant is a Tennessee corporation whose principal place of business is located at 1415 Murfreesboro Pike, Suite 240, Nashville, Tennessee 37217. Defendant directs, markets, and provides its business activities throughout the State of New York.

9. Unless otherwise indicated, the use of Defendant's name in this Complaint includes all agents, employees, officers, members, directors, heirs, successors, assigns, principals, trustees, sureties, subrogees, representatives, vendors, and insurers of Defendant.

### **FACTS**

10. Over the past several months preceding the filing of this action, Defendant began bombarding Plaintiff with telemarketing text messages to Plaintiff's cellular telephone number ending in 4289 (the "4289 Number"). The messages included opt-out instructions such as "Stop to stop":

11. On October 8, 2021, Plaintiff responded with the word "Stop" in an attempt to opt-out of any further text message communications with Defendant.

12. Immediately after Plaintiff sent his stop request, Defendant, within seconds, responded with an automated opt-out confirmation text confirming that Plaintiff had opted out of

future communications: “Journeys: You’re now unsubscribed and will no longer receive message to the number you opted in with.”

13. Despite Plaintiff’s use of Defendant’s preferred opt-out language and Defendant’s subsequent opt-out confirmation, Defendant ignored Plaintiff’s opt-out demand and sent Plaintiff further telemarketing text message on or about November 11, 2021, and November 16, 2021.

14. Defendant’s use of automated, instantaneous opt-out confirmations show that Defendant has the capability of immediately complying with Plaintiff’s opt-out requests.

15. Defendant’s text messages were transmitted to Plaintiff’s cellular telephone, and within the time frame relevant to this action.

16. Defendant’s text messages constitute telemarketing because they encouraged the future purchase or investment in property, goods, or services, i.e., selling Plaintiff car maintenance services and repairs.

17. The information contained in the text message advertises Defendant’s various discounts and promotions, which Defendant sends to promote its business.

18. Plaintiff received sent the subject texts from within this judicial district and, therefore, Defendant’s violation of the TCPA occurred within this district. Upon information and belief, Defendant caused other text messages to be sent to individuals residing within this judicial district.

19. Defendant’s texts were not made for an emergency purpose or to collect on a debt pursuant to 47 U.S.C. § 227(b)(1)(B).

20. Defendant’s calls did not disclose the name of the individual caller pursuant to 47 C.F.R. § 64.1200(d)(4).

21. Defendant’s calls did not disclose the legal name of the entity on whose behalf the call was being made pursuant to 47 C.F.R. § 64.1200(d)(4).

22. Defendant’s calls did not provide a telephone number or address at which Defendant may be contacted pursuant to 47 C.F.R. § 64.1200(d)(4).

23. At no point in time did Plaintiff provide Defendant with his express written consent to be contacted.

24. Plaintiff has no existing business relationship with Defendant.

25. Plaintiff is the subscriber and sole user of the 4289 Number and is financially responsible for phone service to the 4289 Number.

26. Plaintiff's 4289 Number has been registered with the national do-not-call registry since February 6, 2009, and at all times relevant to this action.

27. The TCPA's implementing regulation, 47 C.F.R. § 64.1200(c), provides that "[n]o person or entity shall initiate any telephone solicitation" to "[a] residential telephone subscriber who has registered his or her telephone number on the national do-not-call registry of persons who do not wish to receive telephone solicitations that is maintained by the federal government.

28. The text messages originated from telephone number 57697, a number which upon information and belief is owned and operated by Defendant or on behalf of Defendant.

29. Defendant's unsolicited text messages caused Plaintiff actual harm, including invasion of his privacy, aggravation, annoyance, intrusion on seclusion, trespass, and conversion. Defendant's text messages also inconvenienced Plaintiff and caused disruption to his daily life.

30. Defendant's unsolicited text messages caused Plaintiff actual harm. Specifically, Plaintiff estimates that he has wasted fifteen to thirty seconds reviewing each of Defendant's unwanted messages. Each time, Plaintiff had to stop what he was doing to either retrieve his phone and/or look down at the phone to review the message.

31. Next, Plaintiff wasted approximately fifteen minutes locating and retaining counsel for this case in order to stop Defendant's unwanted calls. In all, Defendant's violations of the TCPA caused Plaintiff to waste at least fifteen minutes of his time in addressing and attempting to stop Defendant's solicitations.

### **CLASS ALLEGATIONS**

**PROPOSED CLASS**

32. Plaintiff brings this case as a class action pursuant to Fed. R. Civ. P. 23, on behalf of himself and all others similarly situated.

33. Plaintiff brings this case on behalf of a Class defined as follows:

**Internal Do Not Call Class:** All persons within the United States who, within the four years prior to the filing of this Complaint, were sent a text message from Defendant or anyone on Defendant's behalf, to said person's cellular telephone number *after* making a request to Defendant to not receive future text messages

**Do Not Call Registry Class:** All persons in the United States who from four years prior to the filing of this action (1) were sent a text message by or on behalf of Defendant; (2) more than one time within any 12-month period; (3) where the person's telephone number had been listed on the National Do Not Call Registry for at least thirty days; (4) for the purpose of selling Defendant's products and services; and (5) for whom Defendant claims (a) it did not obtain prior express written consent, or (b) it obtained prior express written consent in the same manner as Defendant claims it supposedly obtained prior express written consent to call the Plaintiff.

**Seller Identification Class:** All persons within the United States who, within the four years prior to the filing of this Complaint, were sent a text message from Defendant or anyone on Defendant's behalf, that did not disclose: (1) the name of the individual caller; or (2) the name of the person or entity on whose behalf the call is being made; or (3) a telephone number or address at which the person or entity may be contacted.

34. Defendant and its employees or agents are excluded from the Class. Plaintiff does not know the number of members in the Class, but believes the Class members number in the several thousands, if not more.

**NUMEROSITY**

35. Upon information and belief, Defendant has placed violative calls to cellular telephone numbers belonging to thousands of consumers throughout the United States who are registered on the

Do Not Call registry, who had already requested to be opted out of further communications, and without including important seller identification information in the messages. The members of the Class, therefore, are believed to be so numerous that joinder of all members is impracticable.

36. The exact number and identities of the Class members are unknown at this time and can only be ascertained through discovery. Identification of the Class members is a matter capable of ministerial determination from Defendant's call records.

**COMMON QUESTIONS OF LAW AND FACT**

37. There are numerous questions of law and fact common to the Class which predominate over any questions affecting only individual members of the Class. Among the questions of law and fact common to the Class are:

- a) Whether Defendant violated 47 C.F.R. § 64.1200(c);
- b) Whether Defendant violated 47 C.F.R. § 64.1200(d);
- c) Whether Defendant adhered to requests by class members to stop sending text messages to their telephone numbers;
- d) Whether Defendant keeps records of text recipients who revoked consent to receive texts;
- e) Whether Defendant has any written policies for maintaining an internal do not call list;
- f) Whether Defendant's conduct was knowing and willful;
- g) Whether Defendant violated the privacy rights of Plaintiff and members of the class;
- h) Whether Defendant is liable for damages, and the amount of such damages; and
- i) Whether Defendant should be enjoined from such conduct in the future.

38. The common questions in this case are capable of having common answers. If Plaintiff's claim that Defendant routinely transmits text messages to telephone numbers assigned to cellular

telephone services is accurate, Plaintiff and the Class members will have identical claims capable of being efficiently adjudicated and administered in this case.

**TYPICALITY**

39. Plaintiff's claims are typical of the claims of the Class members, as they are all based on the same factual and legal theories.

**PROTECTING THE INTERESTS OF THE CLASS MEMBERS**

40. Plaintiff is a representative who will fully and adequately assert and protect the interests of the Class, and has retained competent counsel. Accordingly, Plaintiff is an adequate representative and will fairly and adequately protect the interests of the Class.

**PROCEEDING VIA CLASS ACTION IS SUPERIOR AND ADVISABLE**

41. A class action is superior to all other available methods for the fair and efficient adjudication of this lawsuit, because individual litigation of the claims of all members of the Class is economically unfeasible and procedurally impracticable. While the aggregate damages sustained by the Class are in the millions of dollars, the individual damages incurred by each member of the Class resulting from Defendant's wrongful conduct are too small to warrant the expense of individual lawsuits. The likelihood of individual Class members prosecuting their own separate claims is remote, and, even if every member of the Class could afford individual litigation, the court system would be unduly burdened by individual litigation of such cases.

42. The prosecution of separate actions by members of the Class would create a risk of establishing inconsistent rulings and/or incompatible standards of conduct for Defendant. For example, one court might enjoin Defendant from performing the challenged acts, whereas another may not. Additionally, individual actions may be dispositive of the interests of the Class, although certain class members are not parties to such actions.

**COUNT I**

**Violation of the TCPA 47 U.S.C. § 227(c)(2)**

**(On Behalf of the Plaintiff and the Internal Do Not Call Class)**

43. Plaintiff repeats and realleges the paragraphs 1 through 42 of this Complaint and incorporates them by reference herein.

44. The TCPA provides that any “person who has received more than one telephone call within any 12-month period by or on behalf of the same entity in violation of the regulations prescribed under this subsection may” bring a private action based on a violation of said regulations, which were promulgated to protect telephone subscribers’ privacy rights to avoid receiving telephone solicitations to which they object. 47 U.S.C. § 227(c)(5).

45. Under 47 C.F.R. § 64.1200(d), “[n]o person or entity shall initiate any call for telemarketing purposes to a residential telephone subscriber unless such person or entity has instituted procedures for maintaining a list of persons who request not to receive telemarketing calls made by or on behalf of that person or entity. The procedures instituted must meet certain minimum standards, including:

(3) Recording, disclosure of do-not-call requests. If a person or entity making a call for telemarketing purposes (or on whose behalf such a call is made) receives a request from a residential telephone subscriber not to receive calls from that person or entity, the person or entity must record the request and place the subscriber’s name, if provided, and telephone number on the do-not call list at the time the request is made. Persons or entities making calls for telemarketing purposes (or on whose behalf such calls are made) must honor a residential subscriber’s do-not-call request within a reasonable time from the date such request is made. This period may not exceed thirty days from the date of such request . . . .

(6) Maintenance of do-not-call lists. A person or entity making calls for telemarketing purposes must maintain a record of a consumer’s request not to receive further telemarketing calls. A do-not-call request must be honored for 5 years from the time the request is made.

47 C.F.R. § 64.1200(d)(3), (6).

46. Under 47 C.F.R § 64.1200(e) the rules set forth in 47 C.F.R. § 64.1200(d) are applicable to any person or entity making telephone solicitations or telemarketing calls to wireless telephone numbers:

(e) The rules set forth in paragraph (c) and (d) of this section are applicable to any person or entity making telephone solicitations or telemarketing calls to wireless telephone

numbers to the extent described in the Commission's Report and Order, CG Docket No. 02-278, FCC 03-153, "Rules and Regulations Implementing the Telephone Consumer Protection Act of 1991

47 C.F.R. § 64.1200(e).

47. Plaintiff and the Internal Do Not Call Class members made requests to Defendant not to receive calls from Defendant.

48. Defendant failed to honor Plaintiff and the Internal Do Not Call Class members' requests.

49. Upon information and belief, Defendant has not instituted procedures for maintaining a list of persons who request not to receive telemarketing calls made by or on behalf of their behalf, pursuant to 47 C.F.R. § 64.1200(d).

50. Because Plaintiff and the Internal Do Not Call Class members received more than one text message in a 12-month period made by or on behalf of Defendant in violation of 47 C.F.R. § 64.1200(d), as described above, Defendant violated 47 U.S.C. § 227(c)(5).

51. As a result of Defendant's violations of 47 U.S.C. § 227(c)(5), Plaintiff and the Internal Do Not Call Class members are entitled to an award of \$500.00 in statutory damages, for each and every negligent violation, pursuant to 47 U.S.C. § 227(c)(5).

52. As a result of Defendant's violations of 47 U.S.C. § 227(c)(5), Plaintiff and the Internal Do Not Call Class members are entitled to an award of \$1,500.00 in statutory damages, for each and every knowing and/or willful violation, pursuant to 47 U.S.C. § 227(c)(5).

53. Plaintiff and the Internal Do Not Call Class members also suffered damages in the form of invasion of privacy.

54. Plaintiff and the Internal Do Not Call Class members are also entitled to and seek injunctive relief prohibiting Defendant's illegal conduct in the future, pursuant to 47 U.S.C. § 227(c)(5).

**COUNT II**  
**Violation of the TCPA, 47 U.S.C. § 227**  
**(On Behalf of Plaintiff and the Do Not Call Registry Class)**

55. Plaintiff repeats and realleges the paragraphs 1 through 42 of this Complaint and incorporates them by reference herein.

56. The TCPA's implementing regulation, 47 C.F.R. § 64.1200(c), provides that "[n]o person or entity shall initiate any telephone solicitation" to "[a] residential telephone subscriber who has registered his or her telephone number on the national do-not-call registry of persons who do not wish to receive telephone solicitations that is maintained by the federal government."

57. 47 C.F.R. § 64.1200(e), provides that § 64.1200(c) and (d) "are applicable to any person or entity making telephone solicitations or telemarketing calls to wireless telephone numbers."<sup>1</sup>

58. 47 C.F.R. § 64.1200(d) further provides that "[n]o person or entity shall initiate any call for telemarketing purposes to a residential telephone subscriber unless such person or entity has instituted procedures for maintaining a list of persons who request not to receive telemarketing calls made by or on behalf of that person or entity."

59. Any "person who has received more than one telephone call within any 12-month period by or on behalf of the same entity in violation of the regulations prescribed under this subsection may" may bring a private action based on a violation of said regulations, which were promulgated to protect telephone subscribers' privacy rights to avoid receiving telephone solicitations to which they object. 47 U.S.C. § 227(c).

60. Defendant violated 47 C.F.R. § 64.1200(c) by initiating, or causing to be initiated, telephone solicitations to telephone subscribers such as Plaintiff and the Do Not Call Registry Class members who registered their respective telephone numbers on the National Do Not Call Registry, a listing of persons who do not wish to receive telephone solicitations that is maintained by the federal government.
